### Instructions:

1. Locate the primary HP inkjet cartridge aisle/section within the store.
2. To attach the selection guide on the arm, first unscrew the wingnuts on the back of the guide holder (see illustration above).
3. Attach new guide to the guide holder, securely fastening the wingnuts on the back of the holder.
4. Please place the selection guide and holder within the HP ink section of the primary ink aisle of the store.

**Please note: it is best to place the guide at eye level so it is readily accessible to consumers.**

### Reordering:

#### Reordering for Canada:

Please visit the HP merchandising ordering web site online at [www.hp.ca/hporders](http://www.hp.ca/hporders) and reorder using the part numbers listed above.

**Please note: kits will contain either the 8" ink selection guide arm or the 10" ink selection guide arm; not both.**
